

## Huffington Post Article On Magnetic Man

### [Miroslaw Magola Claims He's A Human Magnet](#)

The article states that I am not ready to demonstrate my unique gift on live TV.

Mr. David Moyer referred to a quote from the [Daily Mail Online](#) newspaper. There is nothing in that article referring to me not being ready, in fact if Mr. Randi is willing I am anxious at any time to go on live TV. The article in the [Daily Mail Online](#) is very accurate and fair.
